

Travel Support Options

ECSS 2015 8th European Conference on Severe Storms

Wiener Neustadt, Austria
14 – 18 September 2015

We herewith inform you about possibilities for financial travel support. This list only mentions options the conference organizers are aware of. Updated information you can find on our ECSS website www.ecss.eu.

EMS

The European Meteorological Society will support one young scientist by giving the Young Scientist Travel Award (YSTA) to the best applicant. Detailed information regarding the YSTA can be found here:

<http://www.emetsoc.org/awards/travel-awards-ystas/announcement-ecss-2015>

EUMETSAT

Member state services and especially members of the Convection Working Group (CWG) can receive travel support under certain conditions. For more information please contact Regina Hoefenmayer from EUMETSAT: firstname.lastname@eumetsat.int

ÖGM

The Austrian Meteorological Society (Österreichische Gesellschaft für Meteorologie, ÖGM) offers to their young student members in general the possibility of EUR 150,- travel support. The yearly ÖGM membership fee is EUR 30,-. For more information and applications, please contact Dr. Fritz Neuwirth: office@meteorologie.at

For general questions regarding the conference, please contact the ECSS team at ecss@essl.org.
